Vale

- 90% sure that's Vale Manesh under the armor. He's the son of some Corporation head who's vying for control of Tokyo
- He's mostly been hanging out around CORE III but he's pretty unpredictable ← (read as *tactically stupid*)
- Apparently he bought some sick armor with daddy's money and came out here to peeve the old man?? Not sure yet

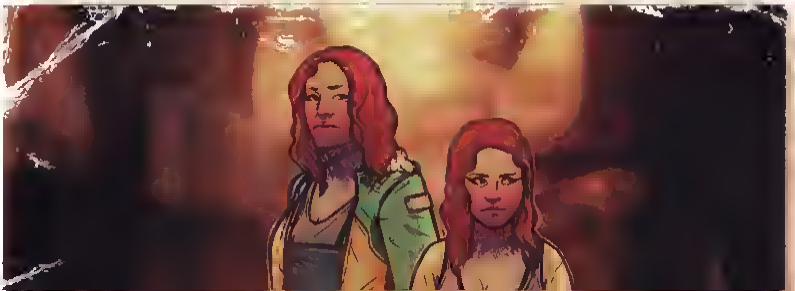
SKILLS Stupidly good tech

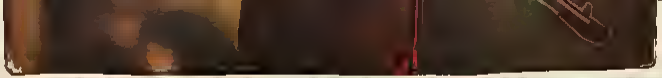
SUCKS REALLY CRAPPY AT FIGHTING
No Joke, he's the worst

LINE Webtoon

TILLY'S LIST

(of people who may someday kill me)





Alaska

- Known to most as *'that guy with the rifle'* He's kind of the go to guy for hits
- He only kills for work so most everybody just leaves him alone I won't have to worry about him until I offend someone really important or get in his way

SKILLS He's like, prodigously talented with that rifle

SUCKS He only really uses guns

DEAD OR ALIVE

THIS WILL BE YOUR REWARD

CAPTURE THE OGRE

AGA

THE AGA WILL PROVIDE FOR YOUR EXPENSES.

REGISTER AT TOWER CITY

Maude & Kaye

- Mother and daughter from Kansai Core V
- The daughter stole a cassette from me once so I stole her sweater. We're basically archenemies now
- They spray paint their faces for no discernible reason.

SKILLS They work really well together.

SUCKS Something's wrong with the Mother (gotta get more info)

IN ORDER TO PREVENT THE MASSES FROM RISING UP AGAINST THE AGA, KWON HAS DEVISED A PLAN TO TURN THE PEOPLE'S FOCUS TOWARDS CAPTURING THE OGRE FOR A LUCRATIVE REWARD. ANYONE PHYSICALLY CAPABLE OF PARTICIPATING IN THE BOUNTY HUNT CAN SIGN UP TO RECEIVE A SPECIAL BRAND WITH A THOUSAND DOLLARS CREDIT, WHICH CAN BE USED TO PURCHASE FOOD, WEAPONS, AND OTHER GEAR FROM AGA SUPPLY CENTERS.

THE REWARD MALAN IS OFFERING IS SOMETHING THAT WOULD BE IMPOSSIBLE TO OBTAIN BY ANY OTHER MEANS: MEMBERSHIP WITHIN THE INNER CIRCLE OF THE CORPORATE RULING CLASS IN TOKYO. KWON IS HOPING THAT THIS EPIC CONTEST, DRAWING BOUNTY HUNTERS FROM FAR AND WIDE, WILL CAPTURE THE IMAGINATION OF ALL KANSAI AND BECOME THE FOCUS OF ATTENTION FOR THE MONTHS AHEAD.

ALL THAT

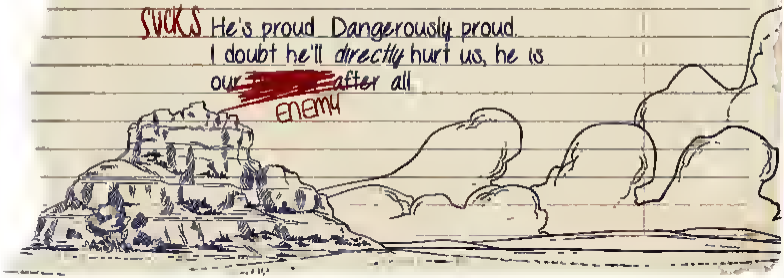
WANT A CHANCE FOR
A NEW LIFE IN TOKYO?

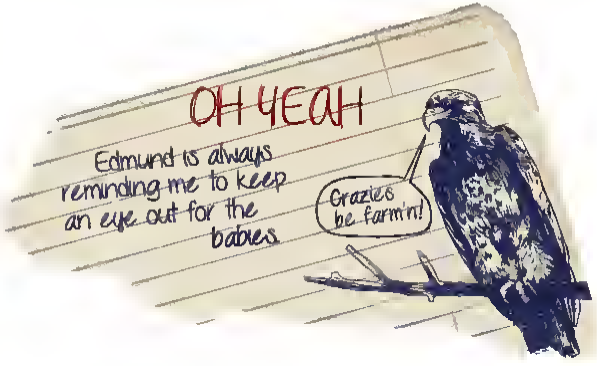
The Ogre — NO THREAT NOW

- Everything comes back to the Ogre these days. He took control of the drug trade for all Kansai right under all our noses, but nobody's realized it yet.
- He's based in CORE CITY IV and I assume that's where he stores/manufactures his drugs. the drugs are still here somewhere
- He's VERY dangerous. The Ogre's playing a smart game, carefully building up his reputation so by the time people realize they're dependent on him, they'll be too intimidated to oppose him.

SKILLS: He's significantly smarter than everyone else around here. He's patient. more screwed

SUCKS: He's proud. Dangerously proud. I doubt he'll *directly* hurt us, he is our ENEMY after all.





OH YEAH
Edmund is always reminding me to keep an eye out for the babies.
Grazies be farm'n!

Israel

- Pretty much the defintion of brute force, he killed the gang controlling CORE VII, like every single member
- Nobody's ever heard him talk so I doubt he's planning on ruling CORE VII Once fear of him wears off, people are going to run him out of town
- Need to be ready in case he pushes into CORE IV

SKILLS Seriously good at tracking

SUCKS Refuses to use guns (the idiot)
